Description

Hello, my name is Humberto Jimenez. I'm currently a junior in high school and I show with the Sharyland 4-H club. This year I am showing a red Simbrah heifer named Lil Darlin. We have had quite a few successes in just two months of showing her, such as 3 first place in my class and two second place in my class. At the STAR Show we got second in class and although she was not on her best behavior, I am still proud of us both. Lil Darlin has quite the character. Throughout the three months that I have owned her she has positively impacted both my patience and my responsibility. I can say that i have dedicated a lot of time on her. This has helped me with responsibility, time management prioritizing, which are needed skills in everyday life. If all goes well and this lot sells, the money will go to my next 4-H project.
