Description

Hello my name is Aelyn Rios, I am 11 years old and a member of Sharyland 4H. This year I decided that it was time for me to work on a wood project. What a better way to start learning about tools and wood than with a table top cutting board. My cutting board is made out of Oak and Mahogany wood that was donated to me in scraps. I had lots of fun using new tools, my favorite has to be the palm sander and the router. I can't wait to work on another project next year. Your support will be greatly appreciated. Thank you.
