Description

Hi,

My name is Imani Zamora and I am representing the James Nikki Rowe High School FFA Chapter.

My project won 1st Place in the cutting board division at the 2021 Rio Grande Valley Livestock Show.

I used three different hardwoods to construct the cutting board, maple, walnut and purple heart wood.

I glued the strips of wood to represent our United States Flag. I used a laser engraver to cut out the 50 stars on the purple heart wood section then filled them in with food safe epoxy.

The dimensions for the board are 13" x 22" x 2".
