### **Description**

Jacob is an 11 yr old 5th grader with Borderline 4H. This was Jacob's first time competing in Western Art. He titled his project "Sunset ride admiring God's masterpiece"! Jacob used a combination of Sharpie fine point permanent markers, and Intensity by Bic permanent markers, and rubbing alcohol to blend the inks together for the perfect sunset scene. Jacob wanted to incorporate his faith in his work, so he also included a large cross in the project. He was truly proud of his work with this piece and looks forward to learning more techniques and submitting entries in the years to come!
