### **Description**

My name is Jesus Isaiah Trevino. I go by Isaiah. I love to draw humans and animals using pen and ink. My favorite pens are micron pens, which have the most minute points that allow for the tiniest details. My aim is to create the most realistic piece using the pointillism technique. It is a very time consuming, but rewarding form of art. It brings out the beauty in natural forms. I know you will love being swept away into the rodeo in the detail and realism of my artwork.
