Description

My name is Brian Smith, and I am a member of the Stagg FFA Chapter. I am a Sophomore at Stagg High School. Outside of school, I enjoy being outside and doing things with my hands, from helping in my family's vegetable garden, taking care of my chickens, reading books, and playing ball. Like every other teen, I like to play video games and just hang out with my friends or play and have fun with my 4 brothers. I have always struggled with school, I just could not focus for the life of me, when I started to take Ag classes my grades significantly improved, and not just in my Ag classes. I went from s Ds and F's to straight A's. This is my first year being a member of FFA. This is also my 1st time being an exhibitor for Stagg high FFA. This year I am selling Market Chickens. I was able to raise these chickens at my own house so I can keep a closer eye on them due to distance learning.
