Description

My name is April. I will be selling poultry this year. I attend East Union High School as a sophomore. This is my first time showing at Ag Fest. While this is my first time showing, it isn't my first time raising an animal. I've raised chickens and fed them since I was a little kid. The turkeys love eating and resting together. I've had a fun time taking care of them. I always check if they have enough food for them to enjoy and water if they were thirsty.
