Description

Hello, my name is Gabriel Alegre and this is my second year raising a pig for FFA at East Union High School in Manteca. Last year I successfully raised my Duroc pig, Peter Porker. Although I wasn't able to show in person due to Covid-19, I still received 3rd place in the breed category. Although it was disappointing not to go to an in-person fair, the experience of raising my pig was extremely rewarding. Every day I looked forward to seeing my pig at the farm. It proved especially important to keep me busy during the Stay-at-Home order for Covid-19. This experience led me to want to continue my journey towards a career in animal care. As a sophomore I have been able to maintain my 4.0 grade point average while still being involved in FFA. My ultimate goal is to attend a four-year college. The money I earn this year, I plan on saving for college.
