Description

My name is Vanessa Barron , a member of the Tokay FFA chapter . I'm fifteen years old and this is my second year raising a market goat for Ag fest. My interest in being a part of FFA came from a long line of hard-working family that have a great passion for agriculture. I strive to be better everyday and to try new things which opens a door for opportunity and passion . My greatest accomplishment in life is being able to be were I am today with the support of my peers and people I love.
