Description

Signorina Salumi had a rough start to life here in the Golden State. Shortly after arriving, she developed a middle ear infection. I was really worried about her for a couple weeks as she didn't seem to respond to any medications and wouldn't eat much. When she did get up, she would stumble. She rubbed all the hair off her hocks from laying in the box all day. Thankfully, she got better and started gaining like the champion she is! Miss Salumi also helped me win Reserve Champion in novice showmanship. AgFest 2021 was an amazing experience.
