### **Description**

My name is Samantha Johnson, I'm 16 years old and a second year member of the Tokay FFA chapter. This is my second year raising a market goat to auction off at Ag Fest. My interest of being involved in agriculture began when I was younger, I would always help my family grow flowers, trees, crops, etc. Once I joined FFA last year I continued to stay involved with agriculture. One of my biggest accomplishments in life has to be where I am today, right now, and how things are only going to get better from here. I appreciate everyone that supports me, my friends, family, peers, etc. I hope we all can achieve what we would want to in life, whether it's right now or later on in the future.

**Quantity:** 103
