### **Description**

Hello, my name is Madison Anderson. I am 12 years of age and live on a farm in Manteca. My hog's name is Willie Nelson. This is my first year showing a market hog and if you see an animal going mad crazy, that would be mine! He loves to spend time walking with me and playing in his little swimming pool. I am very athletic and love playing on my travel soccer team! I also like being outdoors and running track. I do all of this while maintaining a 3.90-grade point average! The journey with my hog has been very rewarding. I've had the opportunity to spend time with a new animal and learn its qualities and intelligence.

As many of you may know, last year's sale was completely virtual but this year I am very excited to participate in a live auction, with the option to participate in person or bid from the comfort of your home. The virtual bidding will be in live time, so my buyers will be able

to experience the excitement! Both, the live (in person) and virtual auction will be on June 19<sup>th</sup>, starting at 9:30 am.

I really appreciate your time and the consideration of purchasing my animal. Thank you so much!
