### **Description**

My name is Shelby Terra. This is my first year in Ripon Christian FFA and I am selling my market rabbit this year. This is my 7th year showing animals at Agfest. In my previous years, I have raised turkeys, rabbits and goats. So far, rabbits have been the most influential on me because I have learned so many life skills raising and selling my market rabbits. I have learned a lot this year though FFA and I plan on staying with Ripon Christian FFA to learn much more about the future of Ag.
