Description

Hi, my name is Hailey Knief. I am 16 years old and a Sophomore at Ripon High School. This is my second year participating in Ripon FFA. I am currently raising a market lamb that I purchased from the Morino Brothers Club Lambs this past February. My lamb's name is Jasper. I am so excited that AgFest is holding a live auction this year! I have taken a lot of pride in doing this project, and I know for sure that I will be doing it again next year. From this project, I have learned responsibility and knowledge about raising a market lamb. I have been responsible for making sure Jasper is well taken care of, including food, shelter and training. The countless hours working with Jasper has taught me several

valuable qualities such as dedication and perseverance. All the proceeds from the sale of my animal will go to my future projects and other educational goals I have for my future. I appreciate any help and thank you for taking the time to consider my project.
