### **Description**

Hello Potential Buyers,

My name is Kayla Rocha and I am a senior at Tracy High School. This is my 8th year showing at AgFest and my first year showing a market steer. In past years I have shown breeding and market sheep, boar goats and beef cattle, in which I have received many Champion titles. This will be my last year exhibiting at AgFest, as I will be attending Oklahoma State University in the fall. My steer's name is Prince and I have had him since October. I have taken Prince to numerous jackpot shows across the state where he has placed high in his respective classes. I have enjoyed raising a steer as my last project at AgFest and have learned so much in the past several months. Since I will be attending college, all of my profit from this years sale will be going towards helping pay for my school expenses. I would like to thank you for taking the time in reading my bio and your interest in my project.

Sincerely,

Kayla Rocha
