Description

SUPREME CHAMPION MARKET LAMB

Dear Potential Buyer,

My name is Mya Rocha. I will be attending Tracy High through the Ag program this upcoming year, I am currently attending Delta Charter Home. I am showing a market lamb this year, it has taught me responsibility, and has made me learn to be hard working. It has also made me focus on the most important things in the show stock industry. I love going to jackpots and meeting new people, I have made so many friends and it has made me more social. It's not just about the animal it is also the showman who has to put work into it to make the animal more successful. Also I have shown goats and cattle in the past years and I found lambs more interesting and I am glad I got to experience showing most species and I look forward to continuing showing lambs.
