**Date of Reported Weight** 06/16/2021

### **Description**

My name is Anniston Holck. This year I am selling my Ripon FFA project animal which is a Crossbreed hog that I purchased from Small Town Genetics at the end of January. This is my 1st year in FFA. I have raised project hogs and attended San Joaquin County Agfest with Ripon 4-H the last 4 years. I enjoy being a part of Ripon FFA because I have met and made great friends, I get to learn the many different facets of agriculture, and it provides me with the opportunity to give back to my community. I have a deep love for all animals, especially pigs. Each year my pigs have different personalities that I come to know and love. Each day when I come into the barn, she runs up to the gate and sits to greet me. She enjoys eating, belly rubs, and long walks in the orchard. I have put a lot of hard work into raising my hog and am excited to show her at Agfest. Please consider purchasing my pig at auction this year. Thank you for your consideration!

Quantity: 222
