### **Description**

My name is Chenille Alvarez from the Tokay FFA Chapter and I am currently raising a market lamb for the 2021 San Joaquin Ag Fest. I am fifteen years old and a freshman at Tokay High School. This is my very first year being in the FFA. This is also my first time showing a market lamb at the San Joaquin Ag Fest. These past few months I've been working very hard with my lamb. For example, exercising my lamb for 30 minutes every day and training him for showmanship everyday for 20 minutes. My lamb is also on a very detailed feeding schedule to ensure the best product possible. My lamb project has taught me many things, like basic animal husbandry, teamwork, responsibility, and time management.
