Description

My name is Brian Alvarez Garcia from the Tokay FFA Chapter and I am currently raising a market lamb for the 2021 San Joaquin County Ag Fest. I am fourteen years old and a freshman at Tokay High School. This is my first year in FFA. Every day, I feed and care for my lamb by following a strict nutrition and exercise schedule to ensure a great product. I have also learned how to properly wash, clip, and fit my market lamb for show. From my project, I have learned many skills like responsibility, animal husbandry, time management, and teamwork.
