Description

Hello and Thank you for taking the time to look at my auction page. My name is Colten Anderson and I am going into 8th grade at El Portal school in Escalon Ca. This is my 6th year in 4H. My market hog this year is the result of breeding my breeding project from last years Ag Fest. After Ag Fest last year and with Covid hitting, my mom and I decided to try to breed Dottie. We got 7 piglets and 5 survived. Bella is one of her piglets that I raised for Ag Fest. With distant learning during school this year it has allowed me the time to really work and spend with her and something that I am very proud of. It has been a learning experience going through every step of this process and has made me realize that I want to be a hog breeder when I finish school.

I would love to shake your hand and personally thank you this year at Ag Fest for purchasing or donating to my continued swine projects.

Thank you

Colten Anderson
