Description

RESERVE SUPREME SING FRYER Hi, my name is Jasmine Rubio, and its my first time showing my very own market rabbit! I've been in East Union FFA for three years. I have an amazing doe named JoJo . I am so excited to be showing and participating in Ag fest. I have a lot of fun raising my rabbit, but it can also come with great responsibility. I am so glad that raising an animal has taught me responsibility and care. I hope to keep building my knowledge and social skills in the future. I hope that you are interested in my rabbit. Thank you so much for being involved in the San Joaquin Ag Fest!
