Description

My name is Addyson Wilmhurst and I have been showing sheep in Ripon 4-H the past four years. This year I have a high quality wether lamb named Wayne. I exercise him and wash his leg shag almost daily. I enjoy showing lambs so much that I am showing a ewe lamb in a breeding class this year too! I am super excited to show in person once again. Hope to see you at the show and auction!

Thank you,

Addyson
