Description

Hi! My name is Jaycee Wilmhurst. I am a freshman at Ripon High School and involved in FFA. Although I am showing a heifer in a breeding class for FFA, I wanted to show my market wether Timmy under Ripon 4-H one last year. I have shown lambs with 4-H for six years now and love it! I have put a lot of time into working with my lamb and even have a breeding ewe I am showing this year too!

I have been active in 4-H this year by being a junior sheep leader and the chapter club editor. In FFA I participated in best informed green hand competitions.

I hope you can come watch Timmy and I in the ring during Tuesday's show, or on Saturday at the auction. However if you aren't able to perhaps you can support me via online.

Thank you,

Jaycee

Quantity: 138
