**County** San Joaquin County

**City** Manteca

**Animal Weight (in Pounds)** 257

**Date of Reported Weight** 06/16/2021

### **Description**

My name is Isabella Pires, and I will be a senior at Manteca High School where I am a part of the FFA program. This is my 4th year in FFA. I enjoy playing soccer and volleyball for my school. I love to participate in my FFA activities with my chapter. This will be my fourth year showing a pig for Ag Fest. In the past I have also showed a turkey and a lamb as a 4H member. I am in the top 3% of my class, academically. Next year, I will be Club Commissioner in Leadership. I enjoy being involved in my Portuguese culture as I dance for the Modesto Luso group and I march in the local festas yearly. I am thankful that many of my activities have resumed after the Pandemic year.

The pig I will be showing, Pinnochio, is a Cross between a Hampshire and a Yorkshire. I have learned a lot from being involved in FFA and 4H in raising pigs. I have learned about proper feeding methods, the correct way to care for pigs, the anatomy of the pig, ear notches, showmanship, and how to keep within a budget.

I am looking for someone to purchase my hog during Agfest in June. The money I raise from the auction will go to help pay for my project next year and any additional profit will be going into my college scholarship fund. I hope to major in Animal Science in college.

I have been working hard on raising a tasty hog for your freezer.

Thank you for your support of the 4H and FFA programs in our area. I especially want to thank all of my past buyers and generous people that have added on. It's because of your support I am able to continue to participate in this wonderful life experience!

**Quantity: 257**
