### **Description**

My name is Michael Pires, and I will be going into the eighth grade at St. Anthony's School. This is my fifth year in 4H and I am part of Escalon 4H. I enjoy playing football, basketball, golf, and baseball. I am also an altar server at my church and like to be involved with my church and community. This will be my fifth year showing a pig. I am active in the Portuguese Luso Group. Unfortunately, so many of my activities were cancelled this past year because of COVID-19, but I am happy that I get to show my pig at Agfest this year.

The pig I will be showing is a Berkshire. His name is Linguica V. I have learned a lot from being involved in 4H and taking care of my pig. I have learned how and what to feed my pig, how to take care of him and his pen, the cuts of a pig, how to show a pig, and how to keep within a budget.

During fair week, I love running around with my friends and cleaning up and checking on the pigs at the barn. I love eating the fair food. I am looking for someone to purchase my pig at the Ag Fest Online Auction. The money I raise from the auction will go to help pay for my project next year and I want to put the money in my savings account to save for college. My trip to Washington DC was postponed until next year, so I plan to help pay for that trip.

As you can see the project that I have been raising for the past 90+ days is something that I have taken the dedication in making into perfection for you to enjoy!

I am very thankful to my past buyers and those who have added on. Without your support, I wouldn't be able to complete my project. Thank you again!
