Description

My name is Nathan Green and am a current 5th grader and member of Farmington 4H. This is my second year raising animals. Last year I raised a goat and this year I chose a pig. Her name is Skittles. I've had her since January. I enjoy going out every morning and night to feed her. We feed her quality pig feed and she loves to munch on almonds. I also have been walking her with her whip to help her get used to it for showmanship at AgFest. She does really well when I walk her, though sometimes she gets a little crazy. Now that it's getting hotter, I check morning, lunch and night to make sure she has water. I also spray her down to help cool her since pigs don't sweat. She likes her belly rubbed and to chew on my boots. I'd love it if you would purchase my pig & appreciate any support towards my project!
