Description

My name is Brett Phelps, I am 16 yrs old and a sophomore at Ripon high school. I am selling my market steer that weighs approximately 1,250lbs. I raised him from a calf from one of my cows that I showed 2 years ago. We artificially inseminated my cow to produce this steer. He weighed about 100lbs when he was born. We started creep feeding him grain when he was about 3 months old.

Thank you for your support on my project!
