Description

Hi there! My name is Jayne Cragin. I am raising a pig with Ripon 4-H. This is my first year raising a pig, though I've had past experience with pigs because my cousins have been raising them for a while. I am asking you to come out to the Fairgrounds on Saturday, June 19th, at 9 am, to take part in the live auction of my animal.

I have learned a lot about pigs this past year. Taking care of a pig is hard work! Cleaning their stall,

training them, worming them, even just feeding them. The reason I have put a lot of time into my pig this year because I like having a companion. Walking my pig around or talking to her while I feed is really nice when there's no one else to talk to. I never thought that I would participate in 4H, yet, here I am!

I've learned that whatever you put into your pig or animal will be evident in the quality of the animal. Things like good food, training, and my time all play a part in caring for and raising a quality hog. I walk my pig every time I go to my barn to feed, which is every evening. Getting her ready and training her for show isn't easy, but it's rewarding! My pig is starting to learn to trust me. Happy pigs that are loved are definitely the tastiest.

I really appreciate you reading about my experience! I can't wait to see you at the Auction. I've worked really hard on my pig for the past few months so it means a lot that you are potentially interested in my hard work and time. If you can't make it to the Auction, consider watching me compete for showmanship on Thursday, June 17th, starting at 7 am. There are other ways to support me as well, such as Add-Ons; You can choose to donate a dollar amount of your choice which will be added on the day of the auction to my total sale, or you can choose a scholarship donation, which will benefit me in many ways.

Thanks again! Hope to hear from you soon. If you have more questions, feel free to call me at (209) 253-9235. See you at AgFest!
