### **Supreme Champion Meat Pen**

My name is Kenna DeBenedetti and I am 16 years old and have been showing rabbits with Alpine Victor 4H for 6 years. I am selling a market pen of Californians. I have bred and raised my own market rabbits. I really enjoy raising rabbits because it's a healthy sustainable meat. Raising rabbits has taught me a lot about being responsible. I love having the chance to raise my own rabbits, show and sell them.
