Description

This is my first year showing a lamb, although I have been participating in Ag Fest for 7 years now, but I have always showed swine. I have learned a lot about lambs this year and it was a lot of fun raising him. I learned how to shear and bath my lamb and had a great time helping the 4H kids shear theirs too. I learned about hoof trimming and how to show the lambs as well. When you only raise one animal at a time you become very attached to them, and them to you. It will be hard to sell this lamb but I know that he was raised for a purpose and that is a hard lesson for all kids.
