Description

Fill your freezer with a beautiful Charolais x Angus steer, family born and raised! I, Grant Lahman, started raising steers last year for Lodi FFA. My first animal projects were raising market rabbits for Alpine Victor 4H. I have been blessed to receive Grand Champion Market Rabbit, win advanced showmanship for both market and breed rabbits multiple times, place well in Small Animal Master Showmanship, and to have bred the Grand Champion Meat Pen in 2020. After learning so much working with small animals for several years, I felt that I was prepared to take on the challenge and risk of raising a larger and more expensive animal. Last year I raised my first steer for private sale, and this year I am pleased to present my Charolais x Angus steer for Lodi FFA. I am further pleased to be learning about the beef industry as a part of my family history. I hope to continue to develop skills to contribute to the growth and continuation of my family legacy in the beef industry and agriculture.
