### **Description**

Anna is a female Duroc. She loves running around in circles. She also really likes when I scratch her belly and her ears. She enjoys her mud hole. She taught me a lot about working with hogs as this is my first year in 4-H. I've learned patience when working with her. I love going in and just sitting with her brushing her and rubbing her belly. She falls asleep every time. Anna and I placed 2nd in our bracket of the Market show.
