### **Description**

My name is Lucas Chaves and I am 12 years old. This is my third year showing Market Boer Goats with Tokay Colony 4-H in Lodi. I have always enjoyed taking care of animals growing up so it was natural to raise a goat for fair. I am grateful to have an opportunity to continue to participate in this project and have the chance to show at the AgFest. Money earned will go toward current costs, future projects and if there is any left, it will go towards my college account. Thank you for your support of exhibitors at AgFest 2021!
