Description

Hey guys, my name is Cadence DeCoite and I am from Merrill F West High School. A few of my achievements include the Chapter President, Delta Valley Sectional Reporter and 4th place at the Central Region Prepared Public Speaking Contest. These accomplishment were all achieved due to my hard working skills, self-motivation, and responsibility skills. For our 2021 AgFest, I decided to use all of these skills to help me raise a market goat named Benji. I have had him since he was three months old and he currently weighs 98 pounds. I spend 2-3 hours every day taking care of my goat, making sure he is well fed and has fresh water at all times. I spend quality time with him while walking and running to gain as much muscle on him as possible. Hard work and a lot of time has been put into my market project to ensure my goat has the best quality meat for when I auction him at AgFest. Please consider purchasing my goat. Should you be interested in supporting me but do

not wish to participate in the sale, arrangements for direct donations to my project by emailing me at cdecoite@me.com or “add-on” money contributions through AgFest can be made.

Thank you for your consideration!
