Description

Hello, I'm Valerie and I am from Delta Charter FFA. I have been breeding and showing my sheep for five years now and this year will be my fourth year showing at fair. This year I am excited to be showing my home grown natural (black) market lamb at fair because I have always loved naturals and he will be my first home grown market lamb I have shown at fair. I have been showing my lamb at multiple shows this year and won money for being in the top of his market class.

Quantity: 140
