Description

Hello,

My name is William Wood. My duroc received Reserve Champion in the entire Duroc Class. I also placed second in Market for my class.

This is the fourth year I have been a member of the Alpine Victor 4-H Club and also the fourth year I have raised a pig. I chose to raise another pig for my 4-H project. I've had my Duroc, Hagrid, since February and he will go to the auction June 19th. He has been a fun pig to raise and definitely has a mind of his own. He enjoys attention, baths, treats and of course, eating! He has a big appetite and loves to see me when I come out to his pig pen.

Taking care of Hagrid has shown me responsibility on a daily basis. I feed him, walk him, bathe him and, clean his pig pen. I have gotten up earlier before school everyday to make sure he is fed

and his pig pen is clean. When I get home from school, I check on him, feed him and walk him to get his exercise. He's a lot of work, but I've enjoyed it!

Thank you for your support!

William Wood
