Description

My crossbred gilt's name is Beer. That may be an unusual name but it suited her at the time I got her. I have been feeding her a high protein grower feed until she grew too fast. Then, I lowered the protein content and feed her a bit less. She is right on schedule to be a great show hog. She is super social. I had a lot of fun raising her so far.

My name is Dylan Vana and this is my fifth year raising a pig in the Linden Peters 4-H Club. Thank you for any support of my project.
