Description

I got my pig in early February from a breeder located in Colusa California and named him Bob. Bob is a Yorkshire barrow. I have been in 4-H for four years now and have taken swine all four years. I have had to manage my pigs weight and adjust his feeding schedule every week or so. Bob gained a lot of weight in the beginning so we had to cut back and put him on a diet. I weigh my pig every week to make sure he is on the right track. Bob's favorite time of day is feeding time and his favorite leisure activity is sitting under the fan on a hot day.
