Description

Hog bought from Gardner Farms in California. Blue Butt crossbred, Hampshire crossed with Yorkshire Gilt, bought March 19th, weighed around 100 lbs. They've been fed with Associated Feeds Show 100 Finisher. I have worked with my pig for about an hour a night. Everyday I would clean the pen out and work with my pig. I currently have \$641 in expenses, which consist of a couple bags of feed along with a barrel of feed too. The cost for my pig was \$425. This is my second year raising a Market Hog but my first year showing at Ag Fest because I decided to go with a private buyer during Covid.
