Description

Hi, my name is Farrah and I am selling my 2-year heifer Courtney. She has done a great job over the last couple of years, and is my second 2 year project. It has been great working with her, especially this year. As with all of my previous heifers, Courtney loves to eat, especially oats and she will keep the other heifers away at all costs while she aggressively inhales. Her eyes bug out and her ears go back, but once she is eating she calms down a bit. She is a pretty good listener overall despite her feisty personality. Courtney is due in August, and her belly is big.

I am currently finishing my Sophomore year in high school and have been raising heifers since I was in the fourth grade. Working with Courtney has taught me responsibility and that a lot of hard work needs to be put in (walking, clipping, feeding, washing, etc.). I am excited to attend AgFest at the fairgrounds in person this year, although the online auction will also be available. If you are looking for a nice heifer with lots of milk production, Courtney is your girl!
