City Acampo

Type of Sale Terminal - Buyer Gets Project at High Bid

Description

Hi my name is Zane Bender and I am selling my 2-year project. Her name is Patrice and she is a cautious yet bossy heifer. I have enjoyed watching her grow and learning her personality. When I feed her alfalfa she is happy and likes to be scratched on the head, but first you have to let her sniff you and act like you don't care. When Patrice stands tall, she is one of the largest heifers I have raised and also one of my toughest. She is due in August and her calf should have plenty of rich milk for her to drink. I will truly miss caring for her. Patrice has done a great job over the last couple of years. She was my second 2 year project, and it has been really nice to work with her, especially this past year even if she doesn't always listen and is not the most compliant.

I am currently finishing my Junior year in high school and have been raising heifers since I was in the fourth grade. Working with Patrice has taught me responsibility and that a lot of hard work needs to be put in (walking, clipping, feeding, washing, etc.). I

am excited to attend Agfest at the fairgrounds in person this year, although the online auction will still be available as well. Thank you for checking out Patrice.
