### **Description**

This is my fourth year showing market goats. This year I am a senior at Linden High School and I am showing with the Linden FFA Chapter. This year I served as the chapter's Vice-President. I love showing and working with my goats. This year I do think my wether is the best one I have had. He is square all-around, wide-bodied and, is a high-quality goat. He comes from a great bloodline. If you are unable to purchase him it would be greatly appreciated if you are able to put an add-on. Add ons will help a lot since I will be attending college next year at Modesto Junior College. Thank you!
