### **Description**

My name is Marco Chadinha. I am ten years old and in the fourth grade at George McParland Elementary. I love all animals and would like to be farmer or veterinarian when I grow up. This is my second year in 4-H and I participated in the swine project with Escalon 4-H. My pig's name is Toby, and his breed is Berkshire. I have put a great amount of time in raising my pig and have learned many things including how to read ear notches, how to feed my pig, and how to show him at fair. This year will be my first year showing my pig live in front of a judge with other children in my age group for market and showmanship and I am very excited! I would appreciate your participation and support by bidding or purchasing my pig, or by contributing to an education scholarship or an add-on in my name.
