**City** Oakdale

### **Description**

**SUPREME CHAMPION MARKET STEER** Hi, my name is Molly Terpstra and I am currently a Sophomore at Escalon High School. This year, I was elected FFA chapter secretary and the Delta Valley section's FFA treasurer. I am a member of the National Junior Angus Association and the National Junior Hereford Association. This is my second year showing a steer at AgFest. My steer's name is Chug-A-Lug, or Chug for short. I have had Chug since October of 2020 and have taken him to a few jackpots since then. I took him to the Yuba City Clash for Cash jackpot, where he was 3rd Overall Black Cross Steer and 3rd overall Progress Steer! On Sunday, Chug was selected as the AgFest FFA Champion Steer, and went on to be selected as the Supreme Champion Steer! I believe he has incredible muscle and finish, and he will hang a high quality carcass once harvested. Additionally, **the winning bidder will get the champion blanket** that can be proudly displayed. Please take a moment to watch very short the video I have prepared that shows my journey this past year with Chug. Happy bidding!

**Quantity:** 1369
