### **Description**

Hello my name is Haylee Castro i am in 10th grade at Escalon High School. This will be my seventh year showing and First with FFA. I have been in Escalon FFA for the past two years and have been very active. I will be the sentinel of my chapter for the upcoming school year. I chose to show Dairy because of my passion and love for cows. It has become a family affair. My dad Frankie Castro and Tio Derek Castro have helped and guided me and led me in the best direction with my showing. I also look up to my Tia Charlotte Castro, she has helped me work my animals and gives me confidence to do a good job. My heifer “dolly” is a white Holstein. I have put in many hours with this animal. She has helped me be a better showman. In the past I have had one reserve supreme replacement heifer with other projects. And came 2nd in most showmanship classes these past years. Showing is my life and very important to me. I always strive to do my best and learn from the worst.

**Quantity:** 1
