### **Description**

4H LIGHTWEIGHT CHAMPION Hi, my name is **Samantha Asmus**. I am in Alpine-Victor 4H. This is my 3<sup>rd</sup> year in the Market Lamb Project, and this year we are showing back at the fairgrounds. I am grateful for your interest in my lamb during the AgFest auction!

This year I've decided to name my lamb Skippy I have taken him to many other shows to get practice before Agfest. I have learned how to hold him and brace him. He walks just as well, but it took many hours of training. Part of his exercise is walking him down the road, bracing him, and walking back. I do this for at least an hour each day, 4 days a week. I've also learned the amount of food to give to my lamb so that he grows. One unique fact about my lamb he was named after his jumpy personality.

As you can see, the project I've been raising since October is something that I am proud of. I have been able to show my parents that I can be responsible for an animal and it's needs. I am going to save the money I earn from Skippy to buy another project animal next year.

**Quantity:** 130
