County San Joaquin

City Acampo

Animal Weight (in Pounds) 94

Date of Reported Weight 06/14/2021

Description

Hello, my name is Max Machado and I am 13 years old. I am a 7th grader at Oakview school. This is my fourth year in 4H with Oak View 4H club in Acampo, California. I am raising a premium market goat for the 2021 San Joaquin AgFest. I am happy to be able to show in person this year and sell at the live auction on 6/19/21 starting at 9 am.

I purchased my goat blaze at 45 pounds in February 2021 and have noticed my goat putting on a lot of weight and muscle. Now, 4 months later, he has almost doubled his

weight and weighs 88 pounds. This is the biggest goat I have had in my 4 years of experience, and it has been fun working with him and watching him grow. I have spent a lot of time working with my goat since we have been home a lot more than usual. Blaze makes us laugh and gives me a hard time but it is a very good learning experience to be able to learn from my mistakes and fix the things i do wrong. We feed a premium show goat food with the perfect balance of vitamins and nutrients. I have been showing goats for 4 years.

The money I earn will be used towards future goat projects and added to my college savings account. Thank you so much for your support and for taking the time to read my letter. I am feeling really confident about this year's showmanship and market shows for the 2021 Agfest.

Sincerely,

Max Machado
