### **Description**

Hello, my name is Matthew Schallberger and I am apart of the Alpine Victor 4-H Club. This year I am raising a Dairy Replacement Heifer and her name is Frosty. I have owned her since the beginning of February 2021.

I have been raising replacement heifers for Agfest for five years. Frosty has been one of my more challenging heifers but it has been a fun experience. My family has been involved within the dairy industry for a very long time and they are very helpful with my projects. I have grown up around dairy heifers my whole life and I am very fortunate that I have had the chance to grow up living on a farm. It has taught me lots of responsibilities and what the true meaning of hard work is. Thank you for taking the time to read this and I hope you have time to take a look at my heifer.
