Description

This year for my 2021 market lamb, I picked a well-rounded, stout, weather who I named Leppard. I have spent many hours and hot days getting to know his personality and his strengths and weaknesses. I have worked on many things, including my own show skills, and I have gotten the results that I am looking for. In the last three years, I have had very promising, but Leppard has by far shown the most potential and I think that he will do phenomenal this year.
