### **Description**

My name is Hannah Smallwood, I am 17 years old and a member of the Escalon High School Future Farmers of America (FFA). As a Senior in high school, I enjoy playing for the Cougar soccer team. Other FFA activities include being a four-year member of the floral class. This is my fourth year showing a market lamb with EHS FFA. As an FFA member and raising livestock, I have learned great traits like time management, responsibility, and patience. These traits will help me to be successful in all aspects of my life in the future as I will be attending Montana State University this fall. This project only faced one challenge and that was teaching him to follow my commands. I personally love showing sheep as I have learned to raise and care for the animal. I have worked hard and enjoyed teaching my lamb discipline and show techniques. I purchased this

year's market lamb on January 17, 2021. My lamb's name is General and he is a Hampshire Wether. He was fed Show Maker Lamb Slam High Performance a pound and a quarter twice a day to bulk up. I have been diligent in exercising and working with him this year.
